

Locomotive - Antídoto

tom:
 A (forma dos acordes no tom de Ab)
 Capostrate na 1ª casa

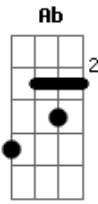

Sol fique um pouco mais na nossa cama
 Pra iluminar o teu sorriso que emana
 Guardar pra sempre na minha mente esse momento

Trazer a paz no coração é seu talento
 Do antes eu já nem me lembro
 E mesmo que eu já fosse inteiro
 Somar contigo trouxe a felicidade em exagero
 Hey amor, lá fora chove mas teu corpo é minha casa
 E os males desse mundo não vão me deter
 Pois meu antídoto é você
