

Logan Halstead - Coal River

tom:

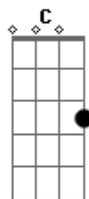

Intro: C G E Am

Am C G Am
Oh coal river won't you wash my bones away
Am C E
I'm slaving for the company and I can't get any pay
Am C G Am
Well mining coal ain't a way to make a life
Am C E
And I can't feed the hunger of three kids and a wife
Am C G Am
Well now the haulers are empty and the company's left town
Am C G Am
And there ain't no more mountains for coal river to bend around

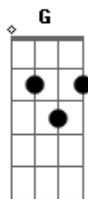

(C G E Am)

Am C G Am
Well the curses in these mountains have taken many of our kind
Am C E
And the souls dance upon the sands where that old river winds
Am C G Am
Oh Lord won't you take me before that mountain does
Am C G Am
A life in these hills ain't what I thought it was
