Loi - I Follow

tom:	Am F I will cross a thousand bridges just to be with you
C Intro: C	'Cause loving you is all I have to
C G All for you, my whole life all for you Am	And nothing in this world can tear my heart in two Dm F F
We were living in a dream	'Cause no more walls will stop me on my way to you Am G G
One day, we'll love the truth C G	And trust me, I will always catch you if you fall
And all for you, my whole life, all for you Am F And every coming day, for now I have to let you go	C Everywhere you go, I follow
Dm F	And everywhere you are is my home
But no more walls will stop me on my way to you	And every single day I want to make you smile
I'm just gonna break on through	And everywhere you go, I follow
I'm just gonna break on through Dm F	And everywhere you are is my home Am F
And I will reach the stars and bring them back to you Am G	And all the stars can fall, I'll never leave your side
And trust me, I will always catch you if you fall	C Where you go I follow (where you go)
Everywhere you go, I follow	Where you go I follow (follow) G Am
And everywhere you are is my home	Where you go I follow (follow) Am F
And every single day I want to make you smile	Where you go I follow (where you go) F
And everywhere you go, I follow	Where you go I follow (follow) C G
And everywhere you are is my home	Where you go I follow G
And all the stars can fall, I'll never leave your side	Where you go I follow

C G I would lie for you, oh, I would die for you Acordes
