 But I hope it's the last^{B B}
 Kindergarteners can't feel so good in the class^{Em D}
 Wanna walk down the street^D
 Not look behind my back^B
 As a MAC rip through^{B (B)}
 A venue fully packed and blast

This one's for Columbine, this one's for Paris^{Em G}
 And one for all the lives lost in Las Vegas^{Em D}
 This one's for Cali and for Miami^{Em G}
 This one's for London and no I'm not done^{Em D}
 One for Iraq, Yemen and Saudi^{Em G}
 And for Syria and those murdered babies^{Em D}
 'Member Africa, and for Hiroshima^{Em G}
 Pearl Harbor and the World Trade Center^{Em D}
 For Chicago and Jerusalem^{Em G}
 Come on people put down the guns^{Em D}

 And my heart it hurts^{B B}
 I'm at a loss for words^{Em D}

I wanna know in the heads what is going on^{Em D}
 Too many situations for fit in one song^{B B}
 Wanna have a good time^{Em}
 With my friends in the club^D
 Without someone getting shot^B
 While I'm tryna make love^{Em D}
 So many, so many now with the man up above^{B B}
 While we're all left to clean up the blood^{Em D}
 Children left with no parents^D
 Parents left with no children^B
 And when you really think it out^B
 It's all for no good reason^{Em D}
 I don't got all the answers so tell me who does^{B B}
 All I really know is we really need love^{Em D}
 I don't got all the answers so tell me who does^{B B}
 All I really know is we really need love^{B B}

Last of the land from sea to sea^{Em D}
 We all share the same blood^{B B}
 And there's no need to bleed^{Em D}
 At the hands of another man^{B B}
 But I understand if it's self defense^{Em D}
 But there will be no reason to defend^{B B}
 If we could all live as one and join hands

I'm at a loss for words^{Em D}
 And my heart it hurts^{B B}

And my heart it hurts
I'm at a loss for words

And my heart it hurts
