

Lontalius - I Was More Than

Tom: C
Intro: C F X4

I still love the way It moves
 And the details it loses when I walked off
 And proved that I was more than
 I was more than
 I still love the way It moves

And the details it loses when I walked off
 And proved that I was more than
 I was more than just useless
 I was more than
 They are bound to choose what's best for all of us
 They were sound asleep when they were choking us
 They are bound to choose what's best for all of us
 They were sound asleep when they were choking us
