

# Lorde - A World Alone

Tom: E  
Intro: Dbm7 Am Dbm7 (2x)

Dbm7  
That slow burn wait while it gets dark  
Bruising the sun  
I feel grown up with you in your car  
I know it's dumb  
Ooooooooooooooooooh ooooooooooh  
We've both got a million bad habits to kick  
- not sleeping is one  
We're biting our nails; you're biting my lip  
I'm biting my tongue  
Ooooooooooooooooooh ooooooooooh  
(People are talking, people are talking)  
Raise a glass 'cause I'm not done saying it  
They all wanna get rough, get away with it -  
Let 'em talk 'cause we're dancing in this world alone  
World alone  
We're alone  
All my fake friends and all of their noise  
complain about work -  
they're studying business, I study the floor  
and you haven't stopped smoking all night  
Maybe the Internet raised us  
or maybe people are jerks (People are talking, people are talking)  
But not you (People are talking, people are talking)  
Raise a glass 'cause I'm not done saying it

Am Dbm7  
They all wanna get rough, get away with it -  
Let 'em talk 'cause we're dancing in this world alone  
World alone  
We're alone  
All the double-edged people and schemes  
They make a mess, then go home and get clean  
You're my best friend and we're dancing in a world alone  
World alone  
We're all alone  
Am Dbm7  
Dbm7 Am Dbm7  
I know we're no - ot everlasting  
We're a train wreck waiting to happen  
One day the blood won't flow so gladly  
One day we'll all get still (People are talking, people are talking)  
Get still (Ooooooooooooooooooh ooooooooooh)  
Am Dbm7 Am Dbm7 Am Dbm7 Dbm7  
Ooooooooooooooooooooooooooh ooooooooooh  
Am Dbm7  
Raise a glass 'cause I'm not done saying it  
They all wanna get rough, get away with it -  
Let 'em talk 'cause we're dancing in this world alone  
World alone  
We're alone  
All the double-edged people and schemes  
They make a mess, then go home and get clean  
You're my best friend and we're dancing in a world alone  
World alone  
We're all alone  
(People are talking, people are talking)  
(People are talking, people are talking)  
(People are talking, people are talking)  
(People are talking, people are talking)  
Let 'em talk
