Dbm7

```
                   Am                   Dbm7
That slow burn wait while it gets dark
Am          Dbm7
Bruising the sun
               Am                     Dbm7
I feel grown up with you in your car
   Am         Dbm7
I know it's dumb

   Am Dbm7 Am Dbm7     Am Dbm7      Dbm7
Ooooooooooooooooooooh ooooooooooh

                 Am                     Dbm7     Am
We've both got a million bad habits to kick
              Dbm7
- not sleeping is one
                 Am                   Dbm7    Am
We're biting our nails; you're biting my lip
          Dbm7
I'm biting my tongue

   Am Dbm7 Am Dbm7      Am Dbm7
Ooooooooooooooooooooh ooooooooooh
                   Am                   Dbm7
(People are talking, people are talking)

                   Am                   Dbm7
Raise a glass 'cause I'm not done saying it
                 Am                     Dbm7
They all wanna get rough, get away with it -
                   Am                    Dbm7
Let 'em talk 'cause we're dancing in this world alone
     Am
World alone
       Dbm7
We're alone

            Am                        Dbm7
All my fake friends and all of their noise
   Am         Dbm7
complain about work -
                   Am                   Dbm7
they're studying business, I study the floor
        Dbm7            Am           Dbm7
and you haven't stopped smoking all night
        Am             Dbm7
Maybe the Internet raised us
   Am           Dbm7                      Am
or maybe people are jerks (People are talking, people are
talking)
        Dbm7                   Am                  Dbm7
But not you (People are talking, people are talking)

                   Am                   Dbm7
Raise a glass 'cause I'm not done saying it
                 Am                     Dbm7
```

```
They all wanna get rough, get away with it -
                   Am                    Dbm7
Let 'em talk 'cause we're dancing in this world alone
     Am
World alone
       Dbm7
We're alone
                     Am                   Dbm7
All the double-edged people and schemes
                     Am                   Dbm7
They make a mess, then go home and get clean
                         Am                 Dbm7
You're my best friend and we're dancing in a world alone
     Am
World alone
       Dbm7
We're all alone

Am Dbm7
Dbm7 Am Dbm7

              Dbm7 Am      Dbm7
I know we're no -  ot everlasting
     Dbm7       Am           Dbm7
We're a train wreck   waiting to happen
    Dbm7 Am          Dbm7
One day the blood won't flow so gladly
    Dbm7 Am       Dbm7
One day we'll all get still (People are talking, people are
talking)
Dbm7      Am Dbm7 Am Dbm7      Am Dbm7      Dbm7
Get still (Ooooooooooooooooooooh ooooooooooh)

   Am Dbm7 Am Dbm7     Am Dbm7      Dbm7
Ooooooooooooooooooooooh ooooooooooh

                   Am                   Dbm7
Raise a glass 'cause I'm not done saying it
                 Am                     Dbm7
They all wanna get rough, get away with it -
                   Am                    Dbm7
Let 'em talk 'cause we're dancing in this world alone
     Am
World alone
       Dbm7
We're alone
                     Am                   Dbm7
All the double-edged people and schemes
                     Am                   Dbm7
They make a mess, then go home and get clean
                         Am                 Dbm7
You're my best friend and we're dancing in a world alone
     Am
World alone
       Dbm7
We're all alone

(People are talking, people are talking)
(People are talking, people are talking)
(People are talking, people are talking)
(People are talking, people are talking)
Let 'em talk
