

Lorde - Green Light

Tom: C

^{Em} I do my makeup in somebody else's car
^{Em} We order different drinks at the same bars
^{Em} I know about what you did and I wanna scream the truth
^{Em} She thinks you love the beach, you're such a damn liar

^D Those great whites, they have big teeth
^C Oh, they bite you, thought you said that you would always be in love
^D But you're not in love no more

^D Did it frighten you how we kissed when we danced on the light up floor?
 On the light up floor

^F But I hear sounds in my mind
^F Brand new sounds in my mind
 But honey I'll be seein' you, evr, I go
 But honey I'll be seein' you down every road
 I'm waiting for it, that green light, I want it

Refrão:
^F Cause honey I'll come get my things, but I can't let go (I'm waiting for it, that green light, I want it)
^F Oh, I wish I could get my things and just let go (I'm waiting for it, that green light, I want it)

^{Em} Sometimes I wake up in a different bedroom
^{Em} I whisper things, the city sings 'em back to you

^D All those rumors, they have big teeth
^C Oh, they bite you
^{Em} Thought you said that you would always be in love
 But you're not in love no more
^D Did it frighten you how we kissed when we danced on the light up floor?
 On the light up floor

^F But I hear sounds in my mind
^F Brand new sounds in my mind
 But honey I'll be seein' you, ever, I go
 But honey I'll be seein' you down every road
 I'm waiting for it, that green light, I want it
