

Lorde - Green Light

Tom: A

(com acordes na forma de G)

Capostrate na 2ª casa

[Verso 1]

Em I do my makeup in somebody else's car
 Em We order different drinks at the same bars
 Em I know about what you did and I wanna scream the truth
 Em She thinks you love the beach, you're such a damn liar

[Refrão 1]

D Those great whites, they have big teeth
 C Oh they bite you, thought you said that you would always be
 D in love
 C But you're not in love no more, did it frighten you?
 Em How we kissed when we danced on the light up floor, on the
 D light up floor

[Pre-Refrão]

F But I hear the sounds in my mind
 F Brand new sounds in my mind
 F But honey I'll be seein' you 'ever I go
 F But honey I'll be seein' you down every road
 (I'm waiting for it, that green light, I want it)

[Refrão Coro]

F 'Cause honey I'll come get my things but I can't let go
 (I'm waiting for it, that green light, I want it)
 F Oh I wish I could get my things and just let go
 (I'm waiting for it, that green light, I want it)

[Verso 2]

Em Sometimes I wake up in a different bedroom
 Em I whisper things, the city sings them back to you

[Refrão 2]

D All those rumours, they have big teeth
 C Oh they bite you, thought you said that you would always be
 D in love
 C But you're not in love no more, did it frighten you?
 Em How we kissed when we danced on the light up floor, on the
 D light up floor
