Tom: A
                                                                   She thinks you love the beach, you're such a damn liar
 (com acordes na forma de G )
                                                                [Refrain 1]
Capostraste na 2º casa
                                                                   Those great whites, they have big teeth
 [Verso 1]
   I do my makeup in somebody else's car
                                                                   Oh they bite you, thought you said that you would always be
   We order different drinks at the same bars
   I know about what you did and I wanna scream the truth
                                                                   But you're not in love no more, did it frighten you?
   She thinks you love the beach, you're such a damn liar
                                                                   How we kissed when we danced on the light up floor, on the
                                                                light up floor
                                                                [Pre-Chorus 1]
   Those great whites, they have big teeth
                                                                   But I hear the sounds in my mind
   Oh they bite you, thought you said that you would always be
                                                                   Brand new sounds in my mind
                                                                   But honey I'll be seein' you 'ever I go
   But you're not in love no more, did it frighten you?
                                                                   But honey I'll be seein' you down every road
   How we kissed when we danced on the light up floor, on the
liaht up floor
                                                                  (I'm waiting for it, that green light, I want it)
                                                                [Chorus 1]
[Pre-Refrão]
   But I hear the sounds in my mind
                                                                   'Cause honey I'll come get my things but I can't let go
   Brand new sounds in my mind
                                                                   (I'm waiting for it, that green light, I want it)
   But honey I'll be seein' you 'ever I go
                                                                   Oh I wish I could get my things and just let go
   But honey I'll be seein' you down every road
                                                                   (I'm waiting for it, that green light, I want it)
  (I'm waiting for it, that green light, I want it)
                                                                [Verse 2]
[Refrão Coro]
                                                                   Sometimes I wake up in a different bedroom
   'Cause honey I'll come get my things but I can't let go
                                                                   I whisper things, the city sings them back to you
   (I'm waiting for it, that green light, I want it)
                                                                [Refrão 2]
   Oh I wish I could get my things and just let go
                                                                   All those rumours, they have big teeth
   (I'm waiting for it, that green light, I want it)
                                                                   Oh they bite you, thought you said that you would always be
