[Verse 1]  
Baby really hurt me  
crying in the taxi  
He dont wanna know me  
says you make the big mistake of dancing in my storm  
Says it was poison  
So I guess I go home  
into the arms of the girl that I love  
the only love I havent screwed up  
She's so hard to please  
but shes a forest fire  
I do my best to meet her demands  
play it romance  
we slow dance in the living room  
but all that a stranger would see  
is one girl swaying alone stroking her cheek

[Chorus]  
They say, "you're a little much for me  
You're a liability  
You're a little much for me"  
So they pull back make other plans  
I understand

I'm a liability  
Get you wild, make you leave  
I'm a little much for eh oh-na-na-na everyone

[Verse 2]  
The truth is, I am toy  
that people enjoy  
till all of the tricks dont work anymore  
And then they are bored of me  
I know that its exciting  
running through the night but  
every perfect summer's eating me alive  
until youre gone  
Better on my own

[Chorus]  
They say, "you're a little much for me  
You're a liability  
You're a little much for me"  
So they pull back make other plans  
I understand  
I'm a liability  
Get you wild, make you leave  
I'm a little much for eh oh-na-na-na everyone

[Outro]  
They're gonna watch me disappear into the sun  
You're all gonna watch me disappear into the sun
