## Lorde - Royals

Tom: G Primeira Parte: D I've never seen a diamond in the flesh I cut my teeth on wedding rings in the movies D And I'm not proud of my address D In the torn up town No post code envy Segunda Parte: D But every song's like gold teeth, grey goose Trippin' in the bathroom Blood stains, ball gowns, trashin' the hotel room We don't care We're driving cadillacs in our dreams. But everybody's like cristal, maybach Diamonds on your time piece Jet planes, islands, tigers on a gold leash We don't care G We aren't caught up in your love affair Refrão: And we'll never be royals It don't run in our blood That kind of lux just ain't for us G

We crave a different kind of buzz D Let me be your ruler, you can call me queen bee C And baby I'll rule I'll rule I'll rule I'll rule G Let me live that fantasy Repete a primeira Parte: D My friends and I we've cracked the code D We count our dollars on the train to the party D And everyone who knows us knows D That we're fine with this D We didn't come from money Repete a Segunda Parte:
