 Got a wishbone drying on the windowsill in my kitchen

G F
 But my hot blood's been burning for so many summers now
 C G

 [Refrão]

F C G
 'Cause all the beautiful girls they will fade like the roses
 F C G
 And all the times they will change, it'll all come around
 F
 I don't know
 C G F
 Maybe I'm just stoned at the nail salon
 C G F C G
 Maybe I'm just stoned at th? nail salon again
 (F C G F C G)

[Segunda Parte]

 When it does, we'll divide up the papers
 C
 Two former hell-raisers
