

Lorde - Supercut

Tom: C

In my head, I play a supercut of us
 All the magic we gave off, all the love we had and lost
 And in my head, the visions never stop
 These ribbons wrap me up, but when I reach for you, there's just a supercut
 In your car, the radio up
 In your car, the radio up
 We keep trying to talk about us
 I'm someone you maybe might love
 I'll be your quiet afternoon crush
 Be your violent overnight rush
 Make you crazy over my touch
 But it's just a supercut of us, supercut of us
 Oh it's just a supercut of us, supercut of us
 So I fall, into continents and cars
 All the stages and the stars, I turn all of it to just a supercut
 Cause in my head (in my head, I do everything right)
 When you call (when you call, I'll forgive and not fight)
 Because ours are the moments, I play in the dark
 We were wild and fluorescent, come home to my heart
 In your car, the radio up
 In your car, the radio up
 We keep trying to talk about us

Slow motion, I'm watching our love
 I'll be your quiet afternoon crush
 Be your violent overnight rush
 Make you crazy over my touch
 But it's just a supercut of us, supercut of us
 Oh it's just a supercut of us, supercut of us
 But it's just a supercut of us, supercut of us
 Oh it's just a supercut of us, supercut of us
 Cause in my head, in my head, I do everything right
 When you call I'll forgive and not fight
 All the moments I play in the dark
 Wild and fluorescent, come home to my heart
 Cause in my head (in my head, I do everything right)
 When you call (when you call, I'll forgive and not fight)
 Because ours are the moments, I play in the dark
 We were wild and fluorescent, come home to my heart
 Cause in my head (in my head, I do everything right)
 When you call (when you call, I'll forgive and not fight)
 Because ours are the moments, I play in the dark
 We were wild and fluorescent, come home to my heart
 In my head, I do everything right
 In my head, I do everything right
