

Lorde - The Man With The Axe

tom: E (forma dos acordes no tom de D)
 Capotraste na 2ª casa

[Primeira Parte]

G D
 If I had to break it down
 Gbm G
 I'd say it's the way you love to dance
 Em7 D Bm
 Movin' the furniture when my back is turned
 A7
 The flick of the lights and the world falls
 Away

[Refrão]

G D
 And your office job and your silver hair
 Gbm
 But our shapes in the dark are
 G Em7
 The reason I've stayed for all these years

[Segunda Parte]

G D
 I thought I was a genius
 Gbm
 But now I'm twenty-two
 G Em7
 And it's startin' to feel like
 D
 All I know how to do is
 Bm A
 Put on a suit and take it away

[Refrão]

G D
 With my fistful of tunes that it's painful
 To play
 Gbm G
 Fingernail worlds like favorite seashells
 Em7 D Bm
 They fill up my nights and then they float
 A7
 Away

[Terceira Parte]

G
 I've got hundreds of gowns
 D

I've got paintings in frames
 Gbm
 And a throat that fills with panic
 G
 Every festival day
 Em7 D
 Dutifully fallin' apart for the Princess
 Bm A7
 Of Norway

[Refrão]

G D
 But you, with your doll's lashes
 Gbm G
 Your infinite t-shirts
 Em7 D
 I should've known when your favorite
 Bm
 Record was the same as my father's
 A7
 You'd take me down

[Quarta Parte]

G D
 I guess I'll always be this way
 Gbm G
 Swallowed up by the words, and halfway
 To space
 Em7 D Bm
 But there by the fire, you offered your hand
 A7
 And as I took it, I loved you
 The boy with the plan

[Refrão]

E A E A
 You felled me clean as a pine
 E A C7 D7
 The man with the axe and the lo- ok
 E
 In his eyes

(E A)
 (E A)

[Final]

E A
 We've been through so many hard times
 E A
 I'm writin' a love song for you, baby
 (E A E)
