

Lorde - White Teeth Teens

Tom: A

A
We wouldn't be seen dead here in the day
Gbm
I guess you're lucky that it's dark now
A
And if I like it then we'll stay
Gbm
Impress the empress, take a shot now

A Gbm Dbm D
We got the glow in our mouths
A Gbm Dbm
White teeth teens are out (out)
A
White teeth teens are up for it

Gbm Dbm D
I know you love it when the hairpins start to drop
A
I like your reckoning, but we got our methods
Gbm Dbm D
And there's nothing here to stop, to stop this

A Gbm Dbm
If you want, we'll help tonight to split its seams
Gbm Dbm
Give the bruises out like gifts aaahhh
D A
You'll get the picture of your dreams
Gbm
I won't be smiling but the notes from my admirers
Dbm D
Fill the dashboard just the same ah ah ah

A Gbm Dbm
We got the glow in our mouths
D A Gbm Dbm
White teeth teens are out (out)
A
White teeth teens are up for it

Gbm Dbm D
I know you love it when the hairpins start to drop
A
I like your reckoning, but we got our methods

Gbm Dbm D A
And there's nothing here to stop, to stop us when we're up for it

And there's nothing here to stop, to stop this

A Gbm Dbm D
We got the glow in our mouths
A Gbm
(And everything works out so good
Dbm D
I wear the robe like no one could)
A Gbm Dbm
I'll let you in on something big
D A
I'm not a white teeth teen
Gbm Dbm
I tried to join but never did
D A
The way they are, the way they seem
Gbm Dbm
Is something else, it's in the blood
D A
Their molars blinking like the lights
Gbm Dbm
In the underpass where we all sit
D
And do nothing and love it
A Gbm
(Everything works out so good
Dbm D
I wear the robe like no one could
A Gbm
Everything works out so good
Dbm D
I wear the robe like no one could)
