

Lorena e Rafaela - O Homem e a Natureza

Tom: F

Intro: Bb F C7 F C7

Sobre ^Fchão de pedra e pó, ^{Dm}longa estrada ^{Gm}percorri

E cheguei para contar o que vi

Natureza eu me fiz, dos lugares de onde vim

E cair muitas manhãs sobre mim

Como aquele pôr do sol, colorindo aquela flor

Vi naquele azul do céu, imenso amor

Vi naquele lago azul, que eu deixei lá para trás

Na imagem refletiu imensa paz

[Solo] Bb F C7 F C7

^FSenti sombra ^{Dm}refrescar os meus ^{Gm}rastros pelo chão

Vi floresta ^{Bb}colorir o meu ^{C7}verão

E pras noites ^Fclarear, fiz da lua o meu ^{Dm}farol ^{Gm}

E de dia recebi o amigo sol

(D7) ^GMil estrelas vi ^{Em}brilhar, vi ^{Am}orvalho no capim

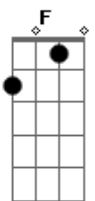

Junto a estrada de meu sol que não tem fim

Se o mundo fosse assim, toda dor era menor

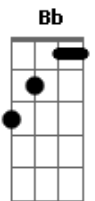

Ia ser pro nosso ser, bem melhor

[Final] G7 C G D7 G
