

# Lost Dog Street Band - When I Went Down To Georgia

Tom: B

(forma dos acordes no tom de A )

Capostrate na 2ª casa

Intro: G C G D

So I went down to Georgia, I was on the fence  
 About whether I was coming home  
 And I know now, better than before  
 I don't know, lord, what I'm looking for

In his red red rocking chair sitting on the porch  
 Picking as the bottle runs dry  
 And I go there for the free beer  
 I don't know lord, what I'm doing here

There's a train waiting as I walk tracks  
 Freddy a-callin' me  
 So I climbed on, bottle in my hand

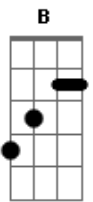

Why I left, lord, I'll never understand

So I took that ride back to Tennessee  
 Through the dark, the wind, and the rain  
 I call that a ride, the depths of the wind  
 Goes to show you just can't win

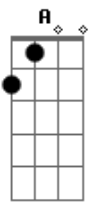

Singin' oh my Caroline, I never should have left  
 And you shoulda never stayed with me, gal  
 And I know now, there's two ways to be  
 Live in love, or die in misery

Oh when I went down to Georgia, I was on the fence  
 About whether I was coming home  
 And I know now, better than before  
 I don't know, lord, what I'm looking for  
 And I know now, better than before  
 I don't know, lord, what I'm looking for
