

Lost Liars - Backyard

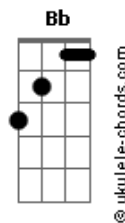

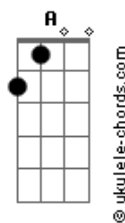

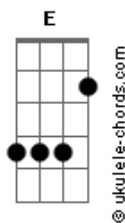

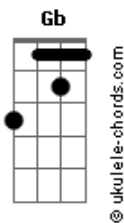

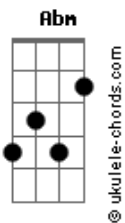

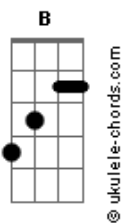

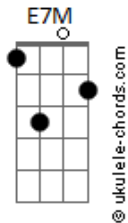

tom:

Oh my lover, do you think I'm doing right?
 Cause I've been waiting for the night to come
 Oh my lover, I feel my future in your eyes
 In your eyes
 Please tell me the flowers still on the yard
 I don't want to end in the back of your heart
 You're afraid of changes and I understand
 The world is in your hands, in your hands

Oh my lover, pictures of your polaroid
 In my head there's too much noise
