Lou Rawls - Got To Get You Into My Life

Tom: G

```
   G
I was alone, I took a ride
                                        G
I didn't know what I would find there
G
Another road where maybe
                                      G
I could see another kind of mind there
Bm  Bm7       Bm7              Bm
Ooh, then I suddenly see you
    Bm Bm7 Bm7                 Bm
Ooh,       did I tell you I need     you
C                  Am7  D7     G
Every single day    of my life
G
You didn't run, you didn't lie you knew
                         G
I wanted just to hold you
G
And had you gone you knew in time
                                     G
We'd meet again for I had told you
Bm  Bm7                          Bm7                  Bm
```

```
Ooh,          you were meant        to be near me
     Bm Bm7       Bm7            Bm
Ooh,        and I want     you hear     me
C                  Am7      D7     G
Say we'll be together every day
G
What can I do, what can I be
                                                    G
When I'm with you I want to stay there
G
If I'm true I'll never leave a and if
                           G
I do I know the way there
Bm  Bm7       Bm7              Bm
Ooh, then I suddenly see you,
  Bm Bm7 Bm7                  Bm
Ooh,       did I tell you I need     you
C                  Am7  D7     G
Every single day of my life
C                  Am7  D7     G
Got to get you into my life
