

Louis Armstrong - Baby Its Cold Outside

Tom: F

I [F]really can't [F]stay
 But baby it's cold outside
 I've [G]got to go [C]way
 But baby it's cold outside
 This [F]evening has [F]been
 Been hoping that you'd drop in
 So very [C]nice
 I'll hold your hands, they're just like ice

My [Bb]mother will start to worry
 Beautiful words you're humming
 And [Bb]father will be pacing the floor
 Listen to the fireplace roar
 So [F]really I'd better [Dm]scurry
 Beautiful, please don't hurry
 Well, [G]maybe just a half a drink [C]more
 Put some records on while I pour

The [F]neighbors might [F]think
 But baby it's bad out there
 Say, [G]what's in this [C]drink?
 No cabs to be had out there
 I [F]wish I knew [F]how
 Your eyes are like starlight now
 To break the [C]spell
 I'll take your hat, your hair looks swell

I [Bb]ought to say no, no, no sir
 Mind if I move in closer?
 At [Bb]least I'm gonna say that I [C]tried
 What's the sense of hurtin' my pride?
 I [F]really can't [F]stay
 Oh baby don't hold out
 Ah but it's [G]cold [C]out[F]side
 Baby it's cold outside

I [F]simply must [F]go
 But baby it's cold outside
 The [G]answer is [C]no
 But baby it's cold outside
 The [F]welcome has [F]been
 How lucky that you dropped in
 So nice and [C]warm
 Look out that window at that storm

My [Bb]sister will be suspicious
 Gosh your lips look delicious
 My [Bb]brother will be there at the door
 Waves upon a tropical shore
 My [F]maiden aunt's mind is [Dm]vicious
 Gosh your lips are delicious
 Well, [G]maybe just a cigarette [C]more
 Never such a blizzard before

I've [F]got to get [F]home
 But baby you'd freeze out there
 Say, [G]lend me a [C]coat
 It's up to your knees out there
 You've [F]really been [F]grand
 I'm thrilled when you touch my hand
 Why don't you [C]see
 How can you do this thing to me?

There's [Bb]bound to be talk tomorrow
 Think of my lifelong sorrow
 At [Bb]least there will be plenty im[C]plied
 If you caught pneumonia and died
 I [F]really can't [F]stay
 Get over that hold-out
 Ah but it's [G]cold [C]out[F]side
 Ah but it's cold outside

Baby it's [G]cold, [C]cold out[F]side
