

Louis Armstrong - What a Wonderful World / Can't Help Falling Love (Medley)

Tom: Db

(com acordes na forma de G)

Capostrate na 6ª casa

I see trees of green, red roses, too

I see them bloom, for me and you

And I think to myself

What a wonderful world

Wise men say only fools rush in

But I can't help falling in love with you

The colors of the rainbow, so pretty in the sky

Are also on the faces of people going by

I see friends shaking hands, sayin', 'How do you do?'

They're really sayin', 'I love you'

Take my hand, take my whole life, too

Cause I can't help falling in love with you

Cause I can't help falling in love with you

Yes, I think to myself

What a wonderful world
