

Louis Tomlinson - Bigger Than Me

tom: E (forma dos acordes no tom de D)

Capostrate na 2ª casa

Intro: D

When somebody told me I would change

I used to hide behind a smile

When somebody told me I would change

I was afraid, I don't know why

'Cause so does the world outside, I realized

[Primeira Parte]

I didn't read the signs

Walkin' different lines

I know I took a left

Tryna make it right

[Pré-Refrão]

All of these voices, all of these choices

I don't hear them anymore

Hear them anymore

[Refrão]

When somebody told me I would change

I used to hide behind a smile

When somebody told me I would change

I was afraid, I don't know why

'Cause so does the world outside, I realize

And it's bigger than me

It's bigger than me

I've woken up from my sleep

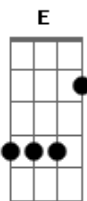

It's bigger than me

It's bigger than me

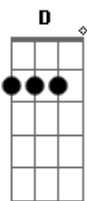

[Segunda Parte]

So, come on, call me a liar

Yeah, you're so quick to judge

'Cause yeah, I might have changed

But everybody does

[Pré-Refrão]

All of these voices, all of these choices

I don't hear them anymore

Hear them anymore

[Refrão]

When somebody told me I would change

I used to hide behind a smile

When somebody told me I would change

I was afraid, I don't know why

'Cause so does the world outside, I realize

And it's bigger than me

It's bigger than me

I've woken up from my sleep

It's bigger than me

It's bigger than me

[Ponte]

Do you ever ask why?

It's not black and white

How do you sleep at night when you're just like me?

Ooh-oooh, 'cause I feel alive

Now I realize that the world outside

It's bigger than me

It's bigger than me

I've woken up from my sleep

It's bigger than me

It's bigger than me
