[Primeira Parte]

G  
Getting high on the amber wave  
G  
Going deep for the ones who do the same  
C7M  
Air max?s and silver tongues  
C7M G  
Settle in for another heavy one  
  
You said love was a pretty lie  
G C7M  
And I choked when your smoke got in my eye

Bad logic and empty cans  
C7M D  
I know nobody understands

[Refrão]

C  
Me like you do  
G  
You know it?s times like these

We?re so much happier  
G  
Nights like these

We?ll remember  
C7M  
Those stupid jokes  
C7M  
Only we know

G  
You know when I?m with you

I?m so much happier  
G  
Nights like these

We?ll remember  
C7M  
Those songs we wrote  
C7M  
Only we know

D C7M  
You smile at me and say "It?s time to go"  
G  
But I don?t feel like going home

[Segunda Parte]

G  
You said grass was a dirty drug  
G C7M  
You like to preach with vodka in your mug

I love all the things you know  
C7M G  
But I?m king on a 50 metre road

We stand up tall and beat our chest  
G C7M  
Shout some things that we?ll regret

Sit down with a master plan  
C7M D  
I know nobody understands
