

Louvor e Gloria - Momento Santo

tom: C

Neste momento santo
 Meu coração se alegra
 Pois tua doce presença
 Me acolhe, me acalma
 E me traz tanta paz

O pão e o vinho Senhor
 Agora é teu corpo, é teu sangue
 Mistério de fé e amor

Que faz todo homem que comunga
 Um vencedor

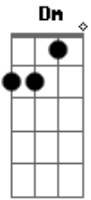

Verbo divino, Deus humanado
 Cordeiro imolado, sê adorado
 Quanta alegria em te ter
 Na Eucaristia e poder te receber

Te quero tanto, Cordeiro santo
 Sacramentado, Jesus, meu amado
 Quanta alegria em te ter
 Na Eucaristia e poder te receber
