

LOVA - Lonely Ones

tom:

D

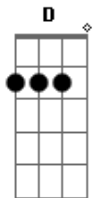

[Primeira Parte]

Everybody's talking about last night
 The cops showed up when everyone was passed out
 At my classmates house
 No one told me where to go
 But then again I'd never showed
 Still I can't help but feeling left behind
 [Refrão]

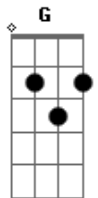

This is for the lonely ones
 The ones who go to bed and think they got no one
 The shy kid at the playground
 The runaways on Greyhounds
 This is for the lonely ones
 The ones who always wonder where their friends have gone
 The boy who can't stop crying
 The girl who gave up trying
 This is for the lonely ones
 The lonely ones
 Yeah, I am just like you
 I have been there too
 [Segunda Parte]

Wakeup feeling worse than yesterday
 I'm pretty fucking far from being okay
 Still I check my phone
 Perfect smiles and perfect lives
 Though I know it's all a lie

I can't help but feeling I should change
 [Refrão]

This is for the lonely ones
 The ones who go to bed and think they got no one
 The shy kid at the playground
 The runaways on Greyhounds
 This is for the lonely ones
 The ones who always wonder where their friends have gone
 The boy who can't stop crying
 The girl who gave up trying
 [Ponte]

I know the voice inside your head saying you're never good enough
 The times you stay in bed because it's too hard to get up
 The friends who disappear when things just get a bit too rough
 Time to make it stop
 [Refrão]

This is for the lonely ones
 The ones who go to bed and think they got no one
 The shy kid at the playground
 The runaways on Greyhounds
 This is for the lonely ones
 The ones who always wonder where their friends have gone
 The boy who can't stop crying
 The girl who gave up trying
 This is for the lonely ones
 The lonely ones
 Yeah, I am just like you
 I have been there too
