tom:

Intro: Bm Bm G Em
 Bm Bm G Em
 G Em A A

Shining like a work of art
 Hanging on a wall of stars

Are you what I think you are?
 You're my satellite

You're riding with me tonight

Passenger side, lighting the sky

Always the first star that I find
 You're my satellite

(Bm Bm G Em)

Elevator to the Moon
 Whistling our favorite tune

Trying to get a closer view

You're my satellite

You're riding with me tonight

Passenger side, lighting the sky
 Always the first star that I find
 You're my satellite

(Bm Bm G Em)
 (Bm Bm G)
 (Em A A)

Maybe you will always be
 Just a little out of reach

You're my satellite
 You're riding with me tonight

Passenger side, lighting the sky

Always the first star that I find
 You're my satellite

You're my satellite

You're my satellite

You're my satellite
