

Loving Caliber - Thinking About You

Tom: Bb

(com acordes na forma de G)

Capostrate na 3ª casa

I lost my ways, no verse to say
 You're on my mind and time flies by

I'm cutting down the wires
 I'm feeling kind of tired
 I think I lost myself I think I lost it all

You know it's true I've been thinking about you
 You make me feel so safe right when you told me you were mine
 But I'm too late, I can't undo my mistakes
 The times run out and I'm left stend right here in the rain
 The same cloud ranging over my head
 God I wish you were here, save me from myself

It feels the same, the days goes on

But that's okay
 Why can't you stay
 Right here with, I said right here with me

I'm cutting down the wires
 I'm feeling kind of tired
 I think I lost myself I think I lost it all

You know it's true I've been thinking about you
 You make me feel so safe right when you told me you were mine

But I'm too late, I can't undo my mistakes
 The times run out and I'm left stend right here in the rain
 The same cloud ranging over my head
 God I wish you were here, save me from myself

You know it's true
 You know it's true I keep thinking about you

I can't get you out my head
 I think you stole my soul
 Shodows creeping every where
 I want you here so badly

I can't get you out my head
 I think you stole my soul
 Shodows creeping every where
 I want you here

You know it's true I've been thinking about you
 You make me feel so safe right when you told me you were mine
 But I'm too late, I can't undo my mistakes
 The times run out and I'm left stend right here in the rain
 The same cloud ranging over my head
 God I wish you were here, save me from myself

You know it's true
 You know it's true I keep thinking about you
