Tom: B

(com acordes na forma de A)

Capostrate na 2ª casa

Intro: A A D

I lose my breath whenever I see you
 You stole my heart, what is it that you do?
 My life was grey, till you added colors
 Like the moon needs the sun, we don't care 'bout the others
 You set my world on fire
 You're my heart's desire

I just wanna love you
 Just wanna hold you
 Just wanna be with you till we grow old
 Just tell me you'll stay or take me away
 I want you for myself every single day
 You set my world on fire
 You set my world on fire

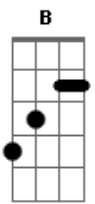

I don't know what I'd do without you
 You make me smile, what is it that you do?
 My life was grey, till you added colors
 Like the moon needs the sun, we don't care 'bout the others

You set my world on fire
 You're my heart's desire
 I just wanna love you
 Just wanna hold you
 Just wanna be with you till we grow old
 Just tell me you'll stay or take me away
 I want you for myself every single day
 You set my world on fire
 You set my world on fire

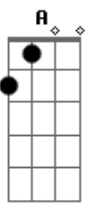

I just want you, I just need you
 I don't know what it is you do
 I just want you, I just need you
 I don't know what it is you do

I just wanna love you
 Just wanna hold you
 Just wanna be with you till we grow old
 Just tell me you'll stay or take me away
 I want you for myself every single day
 You set my world on fire
 You set my world on fire
