

LOVKN - Worry Not

tom:

A

Worry not about your life
 Give Me every fear inside and
 Seek to know My Kingdom and you'll find
 Your peace of mind

Will you add
 Even one day
 To your life
 By giving yourself away to
 Future things
 Scenarios
 Of what's ahead
 Further along the road

Worry not about your life
 Give Me every fear inside and
 Seek to know My Kingdom and you'll find
 Your peace of mind

Let today
 Just be today
 Tomorrow can wait
 Tomorrow can wait
 Release control
 For I have your best interest in mind
 Look in My eyes

Look in My eyes

Worry not about your life
 Give Me every fear inside and
 Seek to know My Kingdom and you'll find
 Your peace of mind

Lie here in My open arms
 Child, I am the One who made you
 Seek to know My Kingdom and you'll find
 Your peace of mind

My confidence
 In You alone
 God, You are my future and You are my hope
 My confidence
 In You alone
 God, You are my future and You are my hope

Worry not about your life
 Give Me every fear inside and
 Seek to know My Kingdom and you'll find
 Your peace of mind

Lie here in My open arms
 Child, I am the One who made you
 Seek to know My Kingdom and you'll find
 Your peace of mind
 Find your peace of mind
 Find your peace of mind
