

Low Roar - Friends Make Garbage Good Friends Take It Out

tom:

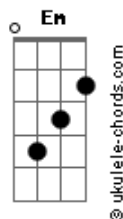

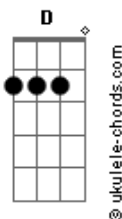

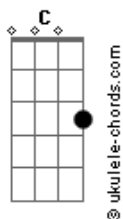

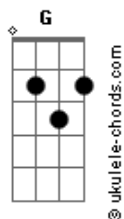

G

We were just kids
With visions and hearts that
Coincide
Climb aboard our ship
We're going whether or not that you
Like
Whether or not that you like
(D Em C G)
(D Em C)

G C G
We sailed across the sea
D Em C G
Aimlessly, no direction or timeline
G C G
The shore we'd come to find
D Em C
We'd seen before, never spoke or
Shared a word
D Em C
No need, your true thoughts they
G D Em
Can't be heard
C G C G
You're too beautiful for words
(D Em C G)
(D Em C G)

G C G D Em
Don't follow roads paved in gold
C G
They will only let you down
D Em C
What's the fun when you can't share
G
What you've found
D Em C
Years to build, in a second it's

Acordes

G
Brought down

G C G
No one will comfort me
D Em C
Will know me or what's going on
G
Inside
D Em C
A vacant hole will remain that way
G
For life
D Em C
To remind me where the both of you
G
Once lied
(C G D Em)
(C G D)
(Em C G)

G C G
I've learned more from this
D Em C
Than anything I have read in my
G D Em
Whole life
C G
I bet you both laugh at that line

G C G
I miss the feel of it
D Em C
Your touch, your kiss weighs heavy
G
On my mind
D Em C G
Our moment forever sealed in time
D Em C G
Our secret as much yours as is mine
D Em C
All logic we have surely left
G D Em
Defied
C G
I will hold you till I die
