

# Low Roar - Just A Habit

tom:

Gb

Could you point me towards  
A quiet gathering  
Full of bugs and holes  
Where any word said to you  
Holds a liquored, puzzled truth

It's just a habit  
It's just a habit  
It's just a ha... ..bit  
( Gb A E )

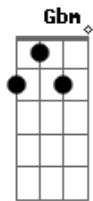

It's just a habit  
It's just a habit  
It's just a ha... ..bit  
( Gb A E )

If I slur a bit  
It's just because I'm confused  
Don't think much of it  
My days belong to you  
If you're kind, my nights can too

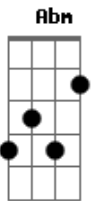

It's just a habit  
It's just a habit  
It's just a ha... ..bit  
( Gb A E )

[Final] Bm Dbm Abm
