

# LP - Levitator

Tom: G

Baby I'd be lost today  
 Like some wreckage from hurricane  
 Cast awa- a- a- ay  
 A cast awa- A- A- ay  
 You went and put my on a higher stage  
 Made me want to go and live again  
 Not afra- a- a- aid  
 I'm not afra- a- a- aid  
 Ooo- ooo- ooooh  
 I give it all to you ooo- ooh  
 Its in the way you love me, love me baby  
 You lift me up and levitate me, save me  
 Ooo- ooo- ooooh  
 I give it all to you ooo- ooh  
 Cause every time you touch me yeah it takes me  
 To another world you elevate me  
 Levitator, levitator  
 You're my levitator, levitator  
 Like the legend of a pot of gold  
 A rainbow led me to your soul  
 Go- o- ld  
 All I can ho- o- o- old  
 You bring me to a higher place

And leave me in a state of grace  
 Ho- o- ome  
 You take me ho- o- o- ome  
 Ooo- ooo- ooooh  
 I give it all to you ooo- ooh  
 Its in the way you love me, love me baby  
 You lift me up and levitate me, save me  
 Ooo- ooo- ooooh  
 I give it all to you ooo- ooh  
 Cause every time you touch me yeah it takes me  
 To another world you elevate me  
 Levitator, levitator  
 You're my levitator, levitator  
 [Instrumental]  
 Ooo- ooo- ooooh  
 I give it all to you ooo- ooh  
 Cause every time you touch me yeah it takes me  
 To another world you elevate me  
 Levitator, levitator  
 You're my levitator, levitator  
 Levitator, levitator  
 You're my levitator, levitator  
 You're my levitator, levitator  
 A great song by a great songwriter. This is my first tab,  
 dedicated to my  
 beautiful wife Stacy for our first wedding anniversary.  
 Peace,  
 Justin
