

LP - Tightrope

Tom: Ab

m

Intro: Abm Gb B Gb Dbm Abm Eb

Abm Gb B
Hold on, I know you're scared

But you're so close to heaven

Dbm
Eyes shut tight

Just pretend you're like a feather

Abm Gb B
Flew down the clouds together

But don't look down, not ever

Dbm
Don't ask why

Just look out onto forever

Abm
All this time

You're just tryin' not to lose it

You can always learn to fly

You never do until you do it

E
Up high in the middle of nowhere

Dbm
Don't know but you know when you get there

B
Walk slow and low on a tightrope

Abm
Hope it lasts but you know, you never know

E
Take a chance we can dance up in mid-air

Gb
Feel so good, I could die, but I don't care

B
Walk slow and low on a tightrope

Abm
Hope it lasts but you know, you never know

E

You never know
Abm Gb B
We're just a step from fearless

Reach out for me my dearest

Dbm
Don't you cry

You don't know, you're almost near it

Abm
All this time

You're just tryin' not to lose it

You can always learn to fly

You never do until you do it

E
Up high in the middle of nowhere

Dbm
Don't know but you know when you get there

B
Walk slow and low on a tightrope

Abm
Hope it lasts but you know, you never know

E
Take a chance we can dance up in mid-air

Gb
Feel so good, I could die, but I don't care

B
Walk slow and low on a tightrope

Abm
Hope it lasts but you know, you never know

Dbm E
Oooh Oooh

You never know

Abm
You never know

Dbm E
Oooh Oooh

Abm
You never know
