

LSD (Labrinth, Sia & Diplo) - Thunderclouds

Tom: E

m
All I need is one
One old man is enough
Babe, you got it wrong
Please turn your fears into trust, to trust

Where?d the love go
When all is said and done
(Hey now I got your hands in the air
I?mma go through your stuff)
Where?d the love go
You put the running into run
(You asking me to stay
But I never met a girl I could trust)

You?re sayin? those words
Like you hate me now
Our house is burning
When you?re raised in hell
Here in the ashes your soul cries out
But don?t be afraid of these thunderclouds

These thunderclouds oh no
These thunderclouds oh no no

All I need is love
All I need is a word

All I need is us
You turned nouns into verbs, to verbs

Where?d the love go
When all is said and done
(Hey now put your hands in the air
I?mma go through your stuff)

Where?d the love go
You put the running into run
(You?re asking me to stay
But I never met a man I could trust)

You?re sayin? those words
Like you hate me now
Our house is burning
When you?re raising hell
Here in the ashes your soul cries out
But don?t be afraid of these thunderclouds

These thunderclouds oh no
These thunderclouds oh no no

These thunderclouds oh no
These thunderclouds oh no no

These thunderclouds oh no
These thunderclouds oh no no
