

Lu Alone - Baby, Where Are You

Tom: C

I'm tired of been here alone
 At my room writing you a song
 Pretend that our love is gone but
 Baby, I love you
 I know that I did some things wrong
 I'm sorry for everything I've done
 I wanted to be by your side
 Baby, where are you?
 I wanted to be with you again
 And pretend we never ended
 And we could be happy again
 Baby, where are you?
 I wanted to be by your side

And laugh at things we used to do
 I wanna be with you and nothing more
 Baby, where are you?
 Baby, where are you?
 I'm tired of been here alone
 Asking myself what's going on
 When I really want is you with me
 Sorry, cause I'm not the one
 If you were the melody
 I would be the song
 Baby, you're everything I need
 Baby, where are you?
 Baby, where are you?
 Baby, where are you?
 Cause, baby, I love you
