

Lu e Robertinho - Iris, Pra Te Fazer Lembrar

Tom: D
Intro: 2x: Bm Bm G G7M

(verso 1)
And I'd give up forever to touch you
Cause I know that you feel me somehow
You're the closest to heaven that I'll never be
And I don't want to go home right now
And all I can taste is this moment
And all I can breath is your life
And sooner or later it's over
I just don't want to miss you tonight

(refrão)
And I don't want the world to see me
Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

Tá tão difícil pra você também né
Com o coração vazio, mas sempre de pé
Buscando alguma direção
Quantas vezes você me escreveu e não mandou
Pegou o telefone e não ligou
Partiu seu próprio coração

Segunda Parte:
Eu tenho uma má notícia pra te dar
Isso não vai passar tão cedo

Não adianta esperar
Às vezes ficamos bem
Mas depois vem o desespero
Eu tento esconder
Mas vi que pensei em você o dia inteiro
Refrão:
Mas sempre haverá uma data, palavra, um olhar
Um filme, uma música, pra te fazer lembrar
Um perfume, um abraço
Um sorriso só pra atrapalhar
Só pra te fazer lembrar

Mas sempre haverá uma data, palavra, um olhar
Um filme, uma música, pra te fazer lembrar
Um perfume, um abraço
Um sorriso só pra atrapalhar
Só pra te fazer lembrar de mim

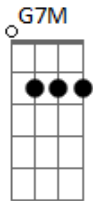

And I don't want the world to see me
Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

I just want you to know who I am
I just want you to know who I am
I just want you to know who I am
I just want you to know who I am
