

Luan Santana - Fica (Stay)

Tom: D

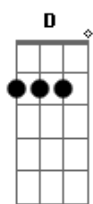

Eb Dedilhado:

Afinação: Eb Ab Db Gb Bb

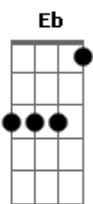

E se eu disser que me arrependo?
 Se eu for um terço do que você quer?
 Eu dou meu sangue pra salvar nós dois
 Nem um minuto a mais
 Sem você não vou suportar
 Pra te fazer voltar
 Não importa o tanto que eu lutei
 Faria tudo de novo
 Vou fazer de novo nosso amor valer
 (I should have took the time to tell you)
 O coração implora o que a mente tenta esquecer
 Não há mais nada que supere o amor
 Só lembrar o que me prometeu
 (I can't go another day without you)
 Fica, fica de uma vez
 (Girl you gotta know I love you)
 My heart's on my sleeve, but it's turning black
 (I guess I know what it feels like it to be alone)
 Without your touch I'm not gonna last
 (I know you know that I need ya just to carry on)
 It feels like my walls are caving in
 (You'd always hold me before I left you hanging on)

And I'll do anything
 to have you here again
 But if I told you I loved you, would it make you want to stay?
 I'm sorry for the way I hurt you and making you walk away
 (I should have took the time to tell you)
 And if I wrote you a love song and sang it to you every day,
 would it ever be enough to make
 You wanna come back home and stay?
 (I can't go another day without you)
 Vou fazer uma canção
 Veja como as coisas são
 Olha a gente se entregando
 De coração
 Is to tell you I love you and make you wanna stay
 Faria tudo de novo
 Going on without you is killing me everyday
 O coração implora o que a mente tenta esquecer
 Não há mais nada que supere o amor
 make You wanna come back home and stay?
 (I can't go another day without you)
 Fica, fica de uma vez
 (Girl you gotta know I love you)
 Make you, make you, wanna stay?
 (I can't go another day without you)
 Fica, fica de uma vez
