Lucas Cyrne - Say Hello Baby

Tom: C F С We all get sad but this is how life works F Say hello baby Δm C Oh, say hello baby Say hello today F7M Say hello today You've dreaming Am You've dreaming With heaven harps again F7M with heaven harps again F You left your toys Am it's not a big mistery С Scattered all over the ground F7M Just say hello again And let your gray Am C F7M Oh, say hello again Empty body just Bm F Fall down Say hello baby Say hello today F Chasing stars C Oh, we've dreaming A new young soul With you in our hands F In this life you may climb high You left your toys And also fall low F You left your love Don't hold your tears Bm And this is how life works C Let it flow
