

Lucas Estrada - By Your Side

tom:

Intro: **Bm** **G** **A** **D** **A**
Bm **G** **A** **D** **A**

Bm Thinking about what we had together
D And all the things that I said
Bm Been sleepless at too many motels lately
D Can't get you out of my head

[Refrão]

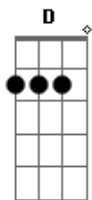

'Cause I've been driving highway one
 You know that I will take my chance with you
 And now I see the sun, it's alright
 I wanna spend my days with you, by your side

(**Bm** **G** **A** **D** **A**)
 (**Bm** **G** **A** **D** **A**)

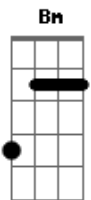

Bm Memories fade and our life keeps changing
D I wonder, are you the same?
Bm Been trying to run away for so long
D Guess that I was wrong

[Refrão]
