Yeah, I'm gonna take my horse to the old town road
 I'm gonna ride 'til I can't no more
 I'm gonna take my horse to the old town road
 I'm gonna ride 'til I can't no more
 I got the horses in the back
 Horse tack is attached
 Hat is matte black
 Got the boots that's black to match

Sentou e gostou, quicou e gostou, chamando de amor
 Can't nobody tell me nothin'
 You can't tell me nothin'
 Can't nobody tell me nothin'
 You can't tell me nothin'

(Dbm B E A)

Oh, yeah
 I feel you crumble in my arms down to your heart of stone
 You bled me dry just like the tears you never show

Why don't you take what you want from me?

Take what you need from me

Take what you want and go

Why don't you take what you want from me?

Take what you need from me

Take what you want and go

I never needed anything from you
 And all I ever asked was for the truth
 You showed your tongue and it was forked in two
 Your venom was lethal, I almost believed you
 Yeah, you preyed on my every mistake

Waited on me to break, held me under hopin' I would drown

Like a plague, I was wasting away

Tryna find my way out, find my way out

And it finally came the day

I start giving my heart away

For Heaven's sake, my bones will break

But you never own my soul, no
