

# Lucas Mota Freitas - Around The World

tom:

Intro: **Em7** **Bm7** **D** **C**

**Em7** **Bm7**  
Travelling around the world I face a lot of  
Things, beauties of a secret I can't explain  
Some buildings, places, people and even  
Millions worlds all in the same Earth never  
Seen before. Where wintry cold warms  
Bodies under the blanket and warm summer  
Becomes soul much more cooler once  
Climbing the hill and going down surfing  
Each new discovery here is a big door to open

[Refrão]

**Em7** **C**  
Run the world entirely taking new routes  
Cause each way is funny unknown road  
Having a light life is more than a satisfaction  
It should be a fact and not a movie session  
Like drama, horror or thriller. But yes  
Adventure and comedy like a tv series  
Season that never has a end
