       C7 B7 E7 A
                                                                                          Cadd9
        E A E7 A
                                                                I just wanna thank God for everything, with each passing day I
        Bm A E7 A
D G Cadd9 G C7 Understand me and realize why things are this way
I just wanna thank God for everything, with each passing day I D G Cadd9 G C7
can Sometimes I think I don't deserve it, but is a prove of my
                                                                  B7 E7
                                                                 Responsability nearly in the future
Understand me and realize why things are this way
D G Cadd9
Sometimes I think I don't deserve it, but is a prove of my
  B7 E7
                                                                 Everythings are put in right place in right time
Responsability nearly in the future
                                                                  Bm A
                                                                                     E7
                                                                My plans are coming true in a way completely perfect
                   E7
Everythings are put in right place in right time
                        E7
                                                                 The apparents moments that seemed hard became important
 Bm A
My plans are coming true in a way completely perfect
                                                                               G
                                                                                             C7
                                                                 Became important opportunities to personal growth
                                                                B7 E7 A
And development of hidden abillities
                         G
The apparents moments that seemed hard became important
             G C7
Became important opportunities to personal growth
                                                                                                          Α
                                                                Every situation of doubts is becoming a new chance to reflect
           E7
And development of hidden abillities
                                                                 And to perceive our papel and how we're strong
                                                                ( D G Cadd9 G )
( C7 B7 E7 A )
( E A E7 A )
Every situation of doubts is becoming a new chance to reflect
And to perceive our papel and how we're strong
                                                                 ( Bm A E7 A )
