

# Lucas Paiva (Scape) - Ballerina

tom: E (forma dos acordes no tom de D )  
 Capotraste na 2ª casa

Ballerina, the day I sat next to you  
 Made me fall apart and I don't ever do

I'm just keeping step with time  
 No one else to fall behind  
 In this island of a li-fe

Ballerina promise me  
 You won't freak out if you hear this  
 I tend to leave my feelings out

Troubled times follow me  
 That's why you're nothing but a dream  
 Kicking hard every night

Ballerina, the day I sat next to you  
 Made me fall apart and I don't ever do

'Cause baby I don't care  
 How long you need to find a prayer  
 How long you need to take my breath away from home  
 And baby I'll be here

Writing the same shit all year  
 Waiting for the day my arms will take you home

The way you laugh  
 The way you talk  
 Gets me like no other talk

Drumming patterns say her name  
 And as I watch you roll your eyes  
 The ones I think of all the time  
 Nothing happens but regret

Ballerina, the day I sat next to you  
 Made me fall apart and I don't ever do

And baby I don't care  
 How long you need to find a prayer

How long you need to take my breath away from home  
 And baby I'll be here  
 Writing the same shit all year

Waiting for the day my arms will take you home

'Cause baby I don't care  
 How long you need to find a prayer  
 How long you need to take my breath away from home
