

# Lucas Paiva (Scape) - Inspiration

tom:  
 Capotraste na 7ª casa  
 Intro: G Am7

Inspiration doesn't come from writings on a wall  
 It comes from hearing the wild sing

The little ones crawl  
 Inspiration is the girl

You haven't see in years  
 Waiting for you at the place

She left you to think

Singing la... la rarara la rara  
 Singing la... la rarara la rara

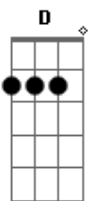

Inspiration is a string, a man-made thing  
 Just like books and art

But they barely afford to live  
 From afar I my seem just like another guy  
 But look closer, you will see  
 You're not the first in line  
 Singing la... la rarara la rara  
 Singing la... la rarara la rara  
 Singing na... na nana na  
 Na nana  
 Singing na... na nana na  
 Na nana  
 Singing na... na nana na  
 Na nana  
 Singing na... na nana na  
 Na nana
