

# Lucas Paiva (Scape) - Sing For You

tom:  
Capostrate na 6ª casa (forma dos acordes no tom de G)

C  
Break my heart girl  
Break my soul  
G  
Waste your time with me  
Then go home  
Am7  
Blackbirds sing and talk to each other  
F G C  
About love and one and another  
Am7  
I will never be the perfect man  
I wanna be  
F G  
And see the light in yours eyes every time  
C  
And at the day I'm old  
Am7  
The thoughts of lust  
Will all be gone

F  
And she'll arrive  
C G  
With a note saying hi  
Am G F C G  
And I will hold on to you

C  
Break my heart girl  
Break my soul  
G  
Waste your time with me  
Then go home  
Am  
Blackbirds sing and talk to each other  
F G C  
About love and one and another  
Your mouth told me  
Don't wanna kiss you  
G  
But when I got close  
Lakes grew within us  
Am7  
Drowning out the guy  
You forgot love

F  
Two weeks left  
G C  
And I want to sing for you  
And man, she will be nice  
Am7  
She'll scratch my back  
Every night  
F G  
Just like mom used to do when I woke

C  
And carry out the guns  
Am7  
I never bought  
F  
Or was afraid to ask for  
C G  
Oh I never drew a line

Am G F C G  
And I will hold on to you

C  
Break my heart girl  
Break my soul  
G  
Waste your time with me  
Then go home  
Am  
Blackbirds sing and talk to each other  
F G C  
About love and one and another  
Your mouth told me  
Don't wanna kiss you  
G  
But when I got close  
Lakes grew within us  
Am7  
Drowning out the guy  
You forgot love  
F  
Two weeks left  
G C  
And I want to sing for you  
G Am  
Yeah, sing for you  
F  
Oh sing for you  
C  
I sing for you
