

# Luciana Mello - As Rosas Não Falam

Tom: E

Am Am  
Bate outra vez,  
B7  
com esperança o meu coração  
Bm7 E7 Am  
Pois já vai terminando o verão, enfim

Volto ao jardim,  
com a certeza que devo chorar  
Pois bem sei que não queres voltar,  
A7  
para mim

Dm Eb

Queixo-me às rosas, mas que bobagem

Am Am  
As rosas não falam,  
B7 B7  
simplesmente as rosas exalam,

Bm7 E7  
o perfume que roubam de ti

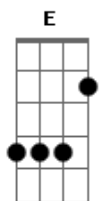

Am Am  
Devias vir,

B7  
para ver os meus olhos tristonhos,

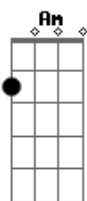

Bm7 E7  
e quem sabe sonhavas meus sonho,

Am  
por fim
