

Lucius - Million Dollar Secret

Tom: A

I've got a million dollar secret
 Can't tell you what it is
 I'm keepin' it to myself, I won't give it away
 I've got a million dollar secret
 Hope I have the courage
 To keep it in, won't give in and just give it away
 If you really wanna know, baby
 Come a little closer, and I'll whisper in your ear
 If you really need to know, baby
 Come a little closer, and I'll whisper in your ear
 Maybe I'll have forgotten
 What I was gonna say

But come a little closer
 Let me whisper in your ear anyway
 Mmm, anyway, mmm
 You can ask over and over
 But I'm not ready to tell
 'Cause I have all your attention
 This feeling is suspended in air
 And I can keep it as long as I may need it
 Have all your attention as long as it's a mystery
 I've got this million dollar secret
 I think it's best for now that I hold strong
 Maybe I'll share it at the end of this song
