

Lucky Dube - Ding Ding

Tom: E

Toda a música: **Dbm7 A B**

It seems like it only happened yesterday
 now that I think about it
 tears cannot bring you joy
 but joy can bring you tears
 even though I cry today
 I will not hide it
 It is for a different reason - joy
 that is why I'll shout it out
 for the world to hear
 I say hello, hello happiness
 Oh Jah, thank you
 for another day, I say

CHORUS

Ding ding licky licky licky bong (x3)

another tear drop falls
 but I don't care
 I took a wrong turn in life before
 but I've paid my dues
 objects in the rear view mirror
 they appear closer than they are
 if you don't talk the talk
 don't walk the walk
 if you won't please, don't tease
 another lesson learned
 I'm gonna shout it out again
 hello, hello happiness
 Oh God, thank you
 for another chance
 there is no future in the past
 so shout it out

Acordes
