

Lucy Rose - Don't You Worry

Tom: D

A G D
 You'll take me home tonight
A G D
 We both know that
A G D
 You hold my arm firmly
A G D
 And say oh please don't leave

G A
 Don't you worry
D
 I'm staying here
G A
 Don't you worry
D
 Cos I'm not leaving
G A
 Don't you worry
D G A
 Cos I'll stay here with you with you
G A
 And I'll stay here with you, with you

You say it's time to leave
 It's getting dark
 Feet moving on their own

We trust they'll take us home

Don't you worry
 Cos I'll stay with you
 Don't you worry
 Cos I'm not leaving
 Don't you worry
 Cos I'll stay here with you, with you

And so-o-o-
 won't you save me now

won't you save me now

won't you save me now

won't you save me now
 sa-a-ave me now

don't you worry
 cos I'm not leaving
 don't you worry
 cos I'll stay with you
 don't you worry
 cos I'll stay here with you, with you
 I'll stay here with you, with you
 And I'll stay here with you, with you
 And I'll stay here with you
